EXPERIENCE

Producer/Editor

Treeline Bamboo Partners | 2023 - Present

- Own projects from pre-production to final delivery
- Lead and assist in project development, creative ideation, communication, scheduling, travel logistics, creative documentation, post-production, and execution
- Write and co-write documentary scripts
- Identify organizational inefficiencies and create improved workflows for all to use

Producer/Writer

"Hostage" short narrative film | 2023

- Scheduled twenty-seven cast and crew members, nine locations, props, wardrobe, and travel logistics for a ten-day shoot
- Created call sheets, daily production reports, and breakdown sheets
- Wrote the treatment and original step outline for the story
- Managed cast and crew needs and logistics while on set

Producer/Editor - Creative Intern

Samaritan's Purse | 2022

- Conceptualized, directed, edited, and delivered a three-part promotional campaign
- Organized and scheduled teams across three different departments within five weeks to see through the completion of five videos
- Collaborated with international offices to produce and write pieces for their benefit

Producer/Writer

"Lizzi: Deeper than Water" short documentary, two-time College Television Award-Winning Film | 2021

- Scheduled and executed a seven-day shoot with small crews and nine subjects who were located in various cities and states
- Booked locations, managed licenses, created budgets, and organized documentation
- Ensured the production ran on schedule and was delivered on time
- Co-wrote the documentary
